

## Veteran's Preference Request

Pursuant to K.S.A. 73-201(c), Veterans shall be preferred for initial employment and first promotion in the state government of Kansas, and in the counties and cities of this state, if competent to perform such services. Any veteran thus preferred shall not be disqualified from holding any position in such service on account of the veteran's age or by reason of any physical or mental disability as long as such age or disability does not render the veteran incompetent to perform the duties of the position applied for. When any veteran shall apply for appointment to any such position, place, or employment, the officer, board or person whose duty it is or may be to appoint a person to fill such place shall, if the applicant be a veteran of good reputation, and can competently perform the duties of the position applied for by the veteran, consider the veteran for appointment to such position, place or employment. In the event an eligible veteran is not hired for a position in which he or she has applied, notification will be sent within 30 days by certified mail or personal service. Such notice will advise the veteran of an administrative appeal process.
